christmas 2011 is here

Well what a year we've had, we've seen the arrival of new family members, others have suffered the loss of loved ones, some have faced great health issues, we have all seen and felt to some degree the financial strain.

We as a church have had the honour of seeing many this year graduate from degrees, honours, & masters, & those completing high school and others just pleased to make it through another year of study successfully.

We have had families leave to serve oversea and others arrive and come and service in our house.

We have been blessed to see salvations & recommitments this year

Many of us have travelled this year and God has had His hand of protection over us...

*So no matter how our year has unfolded **WE ARE STILL HERE STANDING VICTORIOUS TOGETHER***

Well Done ICC!! It has been my pleasure and honour to serve you all as your senior pastor s.

We are truly blessed to have you in our lives and part of our ministry.

May God blessings overwhelm you and your family and may you find greater favor in Gods eyes in 2012.
